Gospel of John: Good News for All

Mar 17, 2024 – Foot Washing: Follow the Teacher

John 17:1-17, 34-35

In John 12, what was Jesus's "big moment?"

What did Jesus have to say about His life purpose, and ours?

When was a time or situation in your life when you knew exactly where you needed to focus your attention and effort?

1-5 – What is the situation at their Passover meal, and what are some of Jesus's motivations for doing what He does?

6-11 – What might Jesus be using foot-washing to illustrate? How have some of the disciples already been made clean?

12-17 – The Teacher and Lord has washed His disciples' feet – now, what is the implication for the disciples? How might this look today?

34-35 – Jesus moves from the specific action to a general concept – what are all disciples called to do?

As you prepare to take the Lord's Supper in unity with others, ask God how He has prepared you to serve and love others.

Consider letting the church know what you'd like to offer!
